1. PURPOSE

The objective of this guidance is to describe the application process for the conversion of an Albanian military ATC license to a student ATC license in accordance with the National Conversion Report - Albania.

2. LEGAL BASIS

This guidance material is based on:

- Law No. 96/2020 “Air Code of the Republic of Albania”;
- CMD No. 1095, date 24.12.2022 “On the approval of the Regulation on common rules in the field of civil aviation”, as amended aligned with Regulation (EU) 2018/1139;
- Minister Order No.171, date 11.11.2025 “On the approval of the regulation laying down technical requirements and administrative procedures relating to air traffic controllers' licenses and certificates”, transposing Regulation (EU) 2015/340;
- Executive Director's Decision No. 62, dated 23.12.2025 "For the acceptance of Applicable Means of Compliance (AMC) and Guidance Material (GM)" of Regulation (EU) 2015/340, for use of Minister Order NO. 171, dated 11.11.2025.

3. CONVERSION OF ALBANIAN MILITARY AIR TRAFFIC CONTROLLER LICENSES

3.1 Introduction

- 3.1.1. In accordance with Minister Order 171, date 11.11.2025, Article 8 a (1), a holder of a national military air traffic controller (not student) license issued by Albanian Military Air Force may apply for the conversion of that license into a student air traffic controller license referred to in point ATCO.B.001. The applicants for license conversion shall submit their application to the ACAA.
- 3.1.2. Upon application for the conversion of an Albanian military air traffic controller licence, a Student Air Traffic Controller licence may be issued, provided that the applicant's military initial training and experience meet the initial training requirements set out in Ministerial Order No. 171, dated 11.11.2025, as assessed in the National Conversion Report, and that any additional training identified through the gap analysis in that report has been successfully completed.
- 3.1.3. The National Conversion Report documents the national requirements for the issue of military licenses. It compares the requirements for the training of military air traffic controllers and civil air traffic controllers. It contains the results of the gap analysis and the possible credits for the military training syllabi provided by the Albanian Air Force in accordance with the Memorandum of Cooperation with the Albanian Civil Aviation Authority.

3.2 Eligible Applicants

- 3.2.1 Applicants for the conversion of a military air traffic controller license into a student air traffic controller license in accordance with this National Conversion Report, shall:
- a. have served in the Albanian Air Forces;
 - b. hold an Albanian Air Force ATC license/certificate;
 - c. be at least 18 years old,
 - d. hold a valid Class III medical certificate issued in accordance with Annex IV (Part ATCO.MED) to Minister Order 171, date 11.11.2025, and
 - e. have demonstrated an English language proficiency level 4 or higher in accordance with the requirements set out in point ATCO.B.030 to Minister Order 171, date 11.11.2025.

3.3 Required training

- 3.3.1 Applicants are required to achieve 100% credit for basic training.
- 3.3.2 Applicants are required to achieve 100% credit for at least one rating.
- 3.3.3 For additional ratings, applicants are required to achieve 100% credit for the rating(s).

3.4 Assessment of Previous Experience

- 3.4.1 The holder of a military air traffic controller license who has not started exercising the privileges of a rating within 1 year from the date of successful completion of the rating training, shall complete an assessment of previous experience relevant to the rating.
- 3.4.2 The holder of a military air traffic controller license who has interrupted exercising the privileges associated with that rating for a period of 4 or more years, shall complete an assessment of previous experience relevant to the rating.
- 3.4.3 An assessment of previous experience shall be conducted at a training organisation satisfying the requirements laid down in Annex III (Part ATCO.OR) and certified to provide initial training relevant to the rating in accordance with Minister Order 171, date 11.11.2025.
- 3.4.4 The assessment of previous experience shall determine if the holder of a military air traffic controller license continues to satisfy the requirements relevant to that rating in accordance with Minister Order 171, date 11.11.2025.
- 3.4.5 The assessment of previous experience includes an assessment of the practical skills demonstrated by the person being assessed as well as an examination of the person's knowledge and understanding in accordance with Minister Order 171, date 11.11.2025. (GM1 ATCO.B.001(d)).
- 3.4.6 A certificate demonstrating successful completion of an assessment of previous experience shall be provided by the applicant and subject to verification by the competent authority.

3.5 Application Process

- 3.5.1 Applicants who wish to apply for the conversion of an Albanian military air traffic controller license into a student air traffic controller license in accordance with this National Conversion Report - Albania, shall provide to the ACAA through a formal request:
